Accidents at runways

3707. DR. V. MAITREYAN: Will the Minister of CIVIL AVIATION be pleased to state:

(a) whether it is a fact that there have been a number of incidents of tragedies on the runways of different airports across the country;

(b) whether invaluable lives have been lost and the operations have been stalled for hours together;

(c) if so, how many such cases have been reported so far as on date; and

(d) what are the reasons for this type of accidents and the steps taken to prevent them in the future?

THE MINISTER OF STATE OF THE MINISTRY OF CIVIL AVIATION (SHRI PRAFUL PATEL): (a) to (c) No, Sir. No lives have been lost due to incidents on runways in the recent past. However, in 2008, two incidents of animals straying on runway have been reported so far. The runway was blocked for a few hours because of these incidents.

(d) Such incidents are caused due to stray animals entering the runway. To prevent entry of stray animals in the operational area, major steps such as increase in the frequency of runway inspection during each landing and departure, fencing of the airport periphery, grass cutting and checking of water logging inside the airport, wire meshing of the hangars, garbage dumping in covered bins and early removal, regular joint inspection of areas around the airport and deployment of Watch and Ward staff during aircraft operations are taken.
